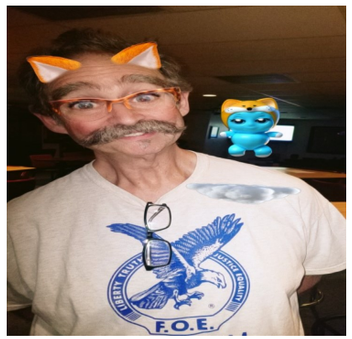
People Helping People! **October 2017**

FROM THE WORTHY PRESIDENT



Greetings:

As our year zips by I want to remind everyone that our Aerie will be celebrating its 53rd anniversary, this is a wonderful time to celebrate being a member of the Aurora Eagles #3224. We started by renting a room at the Moose Lodge until we could have our own building. We steadily grew and saved our monies until we finally had our own building across the street from the Moose Lodge. We then out grew that building, and with the help of our building location committee

BAR MANAGER'S CORNER

Happy Fall to Everyone.

We have several things going on in October, so be sure and check your calendars. Football Season is in full swing so come down and watch your team. As always during Bronco's games **all drinks are .50 cents off.**

We want to give everyone an early heads up the club will be **closed on Thanksgiving**. We have several volunteers out of town. This should allow you plenty of time to make arrangements to be somewhere else.

.

Until Next Month
Kathy

FROM THE AUXILIARY SECRETARY

Fall is almost here and so are the holidays. There are many events planned for the next few months. Check your newsletter and the big calendar in the entry way for fun things to do. Unfortunately we had to drop quite a few members in the auxiliary who did not renew their membership. So the holidays would be a good time to bring in a friend to see our club and then sign them up.
Remember if you sign up a friend, only include the $15 initiation fee with the application. We will tell them what pro-rated dues they would owe when we contact them.
In August we welcomed Debra Hansen sponsored by Vicki Hanley and Suzanne Massey, Lynne Lawson sponsored by Anita Garrett and Christina Wing,Lana Coleman sponsored by Stephanie Romero and Dawn Werner, Kim Jackson sponsored by Eva Appelhans and Sherry Rohan, Debbie Gustafson sponsored by Carol Downs and Sherry Rohan and Judith Saul sponsored by Sherry Rohan and Riley Rohan.
"Til next month, Sherry, Auxiliary Secretary

Many Men as One Man

October 's any many men as one man award goes to the special crew that took the time from their own labor day to help make you(our members) a welcome little pot luck destination (your Eagles Aerie). They are names that you all know and will recognize and when you see their picture on the wall, you will recognize them all. I want to remind everyone that volunteering is fun, rewarding and contagious. You will find that the more you can volunteer, the more you will want to volunteer. It is truly a rewarding feelings, so don't be afraid to help, look for ways to help. There are more ways than you think that help can be appreciated.
Thank You all for your great contributions.
Bob Rohan - WP

Auxiliary Volunteer of the Month

Fellow Eagles:

We want to remind all of our members that On Saturday Oct. 7th. We will be celebrating our Aerie and Auxiliary anniversary's (Aerie 53yr. and Aux. 50th.yr.). So we will not be having bingo on that Saturday. While bingo is still on our minds, the volunteers who put meals and events together for all our enjoyment want to remind everyone that a lot of time and effort goes into making the flyers that announce these events. So when they put them out on the tables, Please don't use them for scrap paper or bingo dabber practice. They work to inform you of upcoming event and the time and effort our volunteer will put in towards making the event great for you our members.

As stated in our House Rules: Regardless of where children are in the Aerie, Parents are responsible at all times for their child's conduct. Whether the child is in the banquet room, the social room or any other area of the Aerie. This House rule is there for the protection of the children, our members (so that no one gets injured through incidental contact or tripping on person's or object) and also our Aerie through Insurance issues. So please respect your Aerie and keep it a safe environment for all to enjoy by following these House Rules. They are there to insure that everyone can enjoy a safe friendly environment.

One last but not least thing. Everyone who brings a visitor to our Aerie (social room) is responsible for purchasing there drinks. Visitors are not authorized to buy their own drinks, this is a Non-profit organization and you must be a member to purchase drinks, it is against the state liquor Laws for them to purchase them. We can be fined or worse yet Lose our Liquor license altogether. We must follow these guide line to the letter, and everyone's help is needed. Thanks to all for your cooperation, it is very important to have everyone in the know.

Eagle Rider News

Hello my fellow Eagles,
Well my time as Eagle Rider President is coming to an end, wow what a year it has been. I have learned a great deal about just how awesome #3224 is, especially when it comes to supporting a great cause like Bikers Against Diabetes. To all that have supported me during my term, I want to personally thank each and every one of you for your support. I am planning a great dinner for the 2nd to last meal, so look for the menu to come out soon, and yes I will have the date and time typed along with the price (Ha Ha Ha Ha) that was a shout out to Mike Monahan. As you also may know, the Eagle Rider potato peeling contest is coming in November so please come out and support your Eagle Riders like you always have. The Anniversary Dinner is also coming up so look for that date and come see just how much our club contributes to Colorado charities. In closing I would like thank you all again for making the 16th annual Bikers Against Diabetes run a great success.

Notes from the Aerie Secretary

I Hello all, fall is just about here and football season is upon us. I hope everyone will come down and root for your team.. Bring a friend also and show them what we have to offer. A few reminders one is that your first key card is free and any others will cost a $10 replacement fee. Also, if you have a friend who is a former military member have them bring down their DD214 and the initiation fee and first years dues are free. This goes for first responders also. Just a little recognition for our heroes.

Thanks, Jim
